

EBENEZER PENTECOSTAL CHURCH

JANUARY

Summer Edition

FULFILLING THE GREAT COMMISSION -MICHAEL FULLER

We had the blessed privilege of hearing from Evangelist Michael Fuller in the month of January.

Michael is a man passionate about witnessing and spreading the gospel, not just as a hobby but as a lifestyle.

Michael simplified the great commission and challenged the church to actively represent Christ in our personal lives and bring Jesus to our schools, workplaces and everywhere.

The theme of 'be fruitful and multiply' was heavily impressed on all of our hearts !

EPC CHURCH DAY OUT & CHILDREN'S HOLIDAY PROGRAM

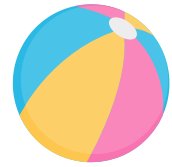

On New years, the church enjoyed a day out with barbecue, games and activities which brought everyone together at the start of 2025.

During the second week of January, EPC kids enjoyed a week long holiday program every evening.

Each day was organised by a specific cell group (North, South, West and Central). All the children were involved in different activities, games and songs. The kids learnt new themes each day and spent their vacation growing in their faith.

YOUTH WEBINAR WITH MATHEW. T. JOHN

SUNDAY SCHOOL EXAMS

On January 11th, Mathew T. John had a live webinar session with EPC youths and teenagers.

This session sparked a great conversation about relevant topics such as friendships, relationships and God's original design for family and marriage.

This was really insightful for the youths as they were learning about important topics from a biblical worldview.

Planning for many more youth sessions with the blessed Mathew. T. John!

January was also an important month for our EPC children as they were having their first annual exams.

This was a new experience for many of the children, but it was a really helpful way for everyone to reflect and remember everything that had been taught in the past one year.

The children prepared and completed the exams successfully and are looking forward to start a whole new year.

Br. Sajin and Sr. Sujo's farewell, we wish you all the best!
