MARCH

Autumn edition

EPC FOOD FEST 2024

On the 25th of this month, EPC held a Food festival as a fundraising event. The profits of the day were to complete the mortgage on the church building, once and for all.

The church parking lot transformed into a night market filled with the aroma of ethnic cuisines. Stalls from every cuisine were set up. Kerala, Middle East and even Asia were some of the delectable treats on display.

in spite of the rainy conditions, EPC members worked wholeheartedly and stood their ground. The day's profits exceeded expectations. What a blessed evening!

EASTER OUTREACH

This year, EPC Youth ventured into Auckland's CBD to share the good news during Easter.

Everyone took turns holding signs boards, handing out tracts, singing and sharing the gospel to passer-bys. A member of the public also joined the team and began praying for the sick.

It was also the first time, that EPC youth wore their new church hoodies in the public. The message 'I am forgiven and free' was visible to all.

Thank you EPC youth for fearlessly sharing the good news and being a light during the Easter season!
