

EBENEZER PENTECOSTAL CHURCH

# FEBRUARY

## Summer Edition

### TEACHERS WEBINAR WITH DR. JESSY JAISON.

### EPC AT OPEN HEAVEN AUCKLAND

EPC Sunday school teachers had the opportunity to attend a webinar by Doctor Jessy Jaison.

Dr Jessy Jaisson is a renown theological educator, Christian author and consultant. She spoke on the purpose and the importance of Sunday school. Dr. Jessy taught how vital the role of the teacher is in forming the hearts of young children and the value of building rapport. These strong relationships can help make or break children's faith later in life.

EPC church members attended Open Heaven conference 2025. This event brought together churches all across Auckland for the purpose of praying for the nation of New Zealand.

Pastors and worship leaders interceded in prayer and worship for our nation, our government, our children and for the revival of New Zealand.

God's presence was evident and it was blessing for all who came.
